Dear Outten Motors,

Thank you so much for hosting the Pet Adoption Event at your dealership. It was very successful for us, once again, that weekend. It means a lot to our staff and volunteers that we are able to send our furry friends to their forever homes and with your help more were able to leave. From the bottom of all our hearts & paws, we thank you so very much for your kindness & hospitality!

Gratefully yours,
Cindy Meyer - Manager
